

LAKE SHORE GOLD

a subsidiary of

PAN AMERICAN  
— SILVER —

## About the Organization

Lake Shore Gold, a subsidiary of Pan American Silver, is located in Timmins, Ontario. The Bell Creek Complex located approximately 20 kilometers northeast of Timmins, Ontario, consists of an underground mine and processing facility. Mineralization is associated with the Porcupine-Destor fault system within the Abitibi greenstone belt, with ore mined by narrow vein long hole stopping methods. Ore is then transported to surface via a modern one thousand eighty-meter-deep shaft capable of forty-eight hundred tons per day.

The Timmins West mine is located approximately 18 kilometers west of Timmins, Ontario, one of the world's most prolific gold camps. Mineralization is associated with the Porcupine-Destor fault system within the Abitibi greenstone belt. The Timmins West mine is comprised of the Timmins deposit, the Thunder Creek deposit, and the 144 Gap deposit. All three deposits are interconnected by underground drifts.

## About Timmins, Ontario

Timmins is a vibrant community of 45,000 residents that is a central hub for Northeastern Ontario. People can enjoy recreational activities such as camping, world-class fishing, nature, and snowmobile trails. Direct flights to Toronto are available at the local airport via multiple carriers. There are many support networks in the community including the local Timmins and District Hospital, local sports leagues for children and adults (hockey, baseball, basketball, etc.), golf courses, both cross-country and downhill ski resorts, a community pool, and many other community events that provide entertainment throughout the year - fairs, carnivals, concerts, and more!

## About the Opportunity

We are looking to hire a **Millwright** to join our **Timmins West Mine** in **Timmins, ON.** and **Bell Creek Mine** in **Porcupine, ON.**, on a **full-time basis**. The schedule for this position is 5-5-4, 10hrs/day alternating days and nights each week.

*Please note that this role requires relocation to the Timmins area and is not a camp-based position.*

In this position, you will safely and efficiently perform daily, weekly, monthly and annual preventative maintenance and repairs for hoisting plant, loading pockets, fuel distribution systems, rock breakers, mine water systems, pump stations and water treatment plant; troubleshoot and perform hydraulic, pneumatic and mechanical repairs to machinery; some shop fabrication work and other duties as assigned.

### More About You

While our ideal candidate has the following qualifications, we welcome applicants who may not meet every criterion to apply.

The following will be critical to successfully performing this role:

- Licensed as an Industrial Millwright or registered apprentice
- Previous hoisting experience is an asset
- Must be comfortable working at heights, around mine shaft or elevated platforms
- Basic UG Hard Rock Common Core is an asset
- Ability to reach schematic drawings
- Rigging and welding experience
- Practice good housekeeping and have a commitment to safety
- Applicants must be eligible to work in Canada

As our ideal candidate, you are a motivated team player, and above all, you demonstrate compliance with all health and safety regulations.

### About the Benefits

In return for your hard work and dedication you can expect to receive a **competitive hourly salary**, as well as the following benefits:

- Mine Performance Plan Incentive (bonus)
- Company-paid extended medical, prescription, dental, and vision benefits
- Wellness Spending Account
- Company-paid pension plan with 8% company contribution
- Basic life/accidental life insurance
- Long-term disability coverage
- Employee Assistance Program
- 80 hours paid vacation
- Paid pregnancy and parental leave
- Relocation Assistance available for eligible positions

*Don't miss out on this unique opportunity to take the next step toward your career goals with an industry leader - apply now!*
