

LAKE SHORE GOLD

a subsidiary of

PAN AMERICAN  
— SILVER —

## About the Organization

Lake Shore Gold, a subsidiary of Pan American Silver, is located in Timmins, Ontario. The Bell Creek Complex located approximately 20 kilometers northeast of Timmins, Ontario, consists of an underground mine and processing facility. Mineralization is associated with the Porcupine-Destor fault system within the Abitibi greenstone belt, with ore mined by narrow vein longhole stoping methods. Ore is then transported to surface via a modern one thousand eighty metre deep shaft capable of forty-eight hundred tonnes per day.

## About Timmins, Ontario

Timmins is a vibrant community of 45,000 residents that is a central hub for Northeastern Ontario. People can enjoy recreational activities such as camping, world class fishing, nature, and snowmobile trails. Direct flights to Toronto are available at the local airport via multiple carriers. There are many support networks in the community including the local Timmins and District Hospital, local sports leagues for children and adults (hockey, baseball, basketball, etc.), golf courses, both cross country and downhill ski resorts, a community pool, and many other community events that provide entertainment throughout the year - fairs, carnivals, concerts, and more!

## About the Opportunity

We are looking to hire an **Underground Grader** to join our **Bell Creek Mine** in **Porcupine, ON**, on a **full-time basis**. The schedule for this position is 5-5-4, 10 hours per shift.

*Please note that this role requires relocation to the Timmins area and is not a camp-based position.*

In this position, you will be responsible for the day-to-day grading of ramps and mine levels; ensuring roadbed material is placed as needed. Occasionally you will be required to haul and spread your own material as well as assist with the movement of waste. Remove built-up material and spillage from haul trucks. You will conduct daily manual and visual pre-op checks on the equipment. You will assist with washing and spraying down muck piles to assist in reducing dust as well as any other duties as assigned.
