

## LAKE SHORE GOLD

a subsidiary of

PAN AMERICAN  
— SILVER —

- **Excellent opportunity to continue your career with an established industry leader**
- **Receive a competitive salary and a wide host of benefits**
- **Develop yourself professionally and contribute to a growing organization!**

### About the Organization

Lake Shore Gold, a subsidiary of Pan American Silver, is located in Timmins, Ontario. The Bell Creek Complex located approximately 20 kilometers northeast of Timmins, Ontario, consists of an underground mine and processing facility. Mineralization is associated with the Porcupine-Destor fault system within the Abitibi greenstone belt, with ore mined by narrow vein longhole stoping methods. Ore is then transported to surface via a modern one thousand eighty metre deep shaft capable of forty-eight hundred tonnes per day.

The Timmins West mine is located approximately 18 kilometers west of Timmins, Ontario, one of the world's most prolific gold camps. Mineralization is associated with the Porcupine-Destor fault system within the Abitibi greenstone belt. The Timmins West mine is comprised of the Timmins deposit, the Thunder Creek deposit, and the 144 Gap deposit. All three deposits are interconnected by underground drifts.

For more information, please visit our [website](#).

### About Timmins, Ontario

Timmins is a vibrant community of 45,000 residents that is a central hub for Northeastern Ontario. People can enjoy recreational activities such as camping, world class fishing, nature, and snowmobile trails. Direct flights to Toronto are available at the local airport via multiple carriers. There are many support networks in the community including the local Timmins and District Hospital, local sports leagues for children and adults (hockey, baseball, basketball, etc.), golf courses, both cross-country and downhill ski resorts, a community pool, and many other community events that provide entertainment throughout the year - fairs, carnivals, concerts, and more!

### About the Opportunity

We are looking to hire a **Senior Project Resource Geologist** to join our **Bell Creek Mine in Porcupine, ON.**, on a **full-time basis**. The schedule for this position is Monday-Friday, 8 hrs/day or 4 on, 3 off, 10hrs/day.

*Please note that this role requires relocation to the Timmins area and is not a camp-based position.*

In this position, you will have the overall responsibility to complete geological models and mineral resource estimations on assigned projects.

## LAKE SHORE GOLD

a subsidiary of

PAN AMERICAN  
— SILVER —

Reporting to the Chief Resource Geologist, the **Senior Project Resource Geologist** will have the following responsibilities:

- Review data/databases for errors and monitor QA/QC programs as required
- Monthly reconciliation processes with Engineering.
- Complete required 3D interpretation of geology, structural, and mineralization models to support local grade block model work.
- Produce statistical analysis and validation block model estimations
- Act as sub-QP for work.
- Complete the required documentation for local grade estimations.
- Communicate changes in resource estimates to peers.
- Peer review other sites/projects.
- Train other geologists with best practices in modeling and estimation, management and other departments as required.
- Recommend and update/changes to resource modeling processes to improve quality and efficiency.

### More About You

While our ideal candidate has the following qualifications, we welcome applicants who may not meet every criterion to apply.

The following will be critical to successfully performing this role:

- University degree in Geoscience with current membership in the APGO - Professional Geologist (PGeo)
- 5 years' experience in gold exploration or gold mine environment
- Knowledge of 3D modeling software (Leapfrog, Datamine, Deswik)
- Knowledge of Statistics and Variography
- Be committed to safety
- Applicants must be eligible to work in Canada

As our ideal candidate, you are a motivated team player, and above all, you demonstrate compliance with all health and safety regulations.

### About the Benefits

In return for your hard work and dedication you can expect to receive a **competitive annual salary**, as well as the following benefits:

- Mine Performance Plan Incentive (bonus)
- Sign-On Bonus for eligible positions
- Relocation Assistance available for eligible positions
