

LAKE SHORE GOLD

a subsidiary of

PAN AMERICAN
— SILVER —

About the Organization

Lake Shore Gold, a subsidiary of Pan American Silver, is located in Timmins, Ontario. The Bell Creek Complex located approximately 20 kilometers northeast of Timmins, Ontario, consists of an underground mine and processing facility. Mineralization is associated with the Porcupine-Destor fault system within the Abitibi greenstone belt, with ore mined by narrow vein longhole stoping methods. Ore is then transported to the surface via a modern one thousand eighty metre deep shaft capable of forty-eight hundred tonnes per day.

About Timmins, Ontario

Timmins is a vibrant community of 45,000 residents that is a central hub for Northeastern Ontario. People can enjoy recreational activities such as camping, world class fishing, nature, and snowmobile trails. Direct flights to Toronto are available at the local airport via multiple carriers. There are many support networks in the community including the local Timmins and District Hospital, local sports leagues for children and adults (hockey, baseball, basketball, etc.), golf courses, both cross country and downhill ski resorts, a community pool, and many other community events that provide entertainment throughout the year - fairs, carnivals, concerts, and more!

About the Opportunity

We are looking to hire an **Underground Mine Surveyor** to join our **Bell Creek Mine** in **Porcupine, ON.**, on a **full-time basis**. The schedule for this position is 5-5-4 rotation, 11 hrs/day.

Please note that this role requires relocation to the Timmins area and is not a camp-based position.

In this role, you will be responsible for all mine survey tasks including maintaining survey controls database, surveying and maintaining underground excavation in Deswik, marking up development and production lines, installing wall bar/plugs for gradient control, preparing and issuing survey layouts, performing CMS of underground voids, and doing month end calculations. Other duties may include assisting with ventilation surveys as required. You will demonstrate the core values of Safety Health and the Environment and Code of Conduct.

Reporting to the Senior Engineer, or designate, the **Underground Mine Surveyor** will have the following responsibilities:

- Plan, organize and prioritize all survey tasks on a daily basis to ensure timely delivery of data
- Maintain and advance the survey controls and as-builts database underground and in Deswik

LAKE SHORE GOLD

a subsidiary of

PAN AMERICAN
— SILVER —

- Provide accurate and timely development and production markups
- Perform CMS for underground voids in a safe and productive manner
- Complete borehole scans to determine deviations from the plan
- Maintain survey equipment and supplies
- Compile month-end layouts detailing actual excavation advance and volumes
- Perform check surveys of mine excavations to correct control and as-builts database
- Communicate discrepancies from design to engineering and operations supervisors
- Assist with time studies, ventilation surveys, and routine engineering projects as required

Position Details

Compensation: *This position offers a compensation range of \$85,000 - \$95,000 annually, based on qualifications and experience.*

Vacancy Status: *This is an **existing vacancy**. The successful candidate may begin as soon as possible.*

More About You

While our ideal candidate has the following qualifications, we welcome applicants who may not meet every criterion to apply.

- Completion of a two-year Engineering Technician diploma; Mine Technicians or Technologists preferred
- 1-2 years of survey experience, preferably in a mining or industrial setting
- Knowledge of total stations, and proficiency in Deswik, AutoCAD, Excel, and Word are required
- Amine experience is considered an asset
- Ability to use and calibrate associated survey equipment
- Ability to communicate and collaborate with various work groups
- Ability to adapt quickly to changing conditions
- Valid driver's licence
- Be committed to safety and practice good housekeeping
- Applicants must be eligible to work in Canada

As our ideal candidate, you are a motivated team player, and above all, you demonstrate compliance with all health and safety regulations.
